E-JECT SYSTEMS LIMITED

WARRANTY & SERVICE

WARRANTY:

E-ject Systems warrants that it will repair, replace or adjust all parts that are found to be defective due to manufacturer's defects in materials or workmanship under normal use & service for a period of **six months** from the date of original delivery. This warranty is the sole & exclusive remedy against E-ject Systems & no other remedy including but not limited to claims for incidental, consequential or special damages, or any cause, loss, action, claim or damage whatsoever, or injury to person or property or any other consequential economic or incidental loss shall be available whether said claims for injury or damages be asserted on the basis of warranty, negligence, strict liability or otherwise. This warranty is in lieu of any other warranties, expressed or implied, including any warranty of merchantability or fitness for a particular purpose. The warranty extends only to parts or attachments sold by E-ject Systems. The Seller's responsibility for shipments ceases upon delivery to a transportation company, & any claims for shortages, delays, or damages occurring thereafter shall be made by the purchaser to the transportation company.

This warranty is limited to materials & labor that E-ject Systems determines is required to correct the defect. E-ject Systems will provide such items without charge to the customer during normal working hours at the factory or at another establishment authorized by E-ject Systems. Any labor for repairs that is not specifically pre-approved by E-ject Systems is not covered by this warranty. The warranty will not cover any repairs necessitated by misuse, abuse, accident, negligence or use of the machine beyond its rated capacities.

The owner is responsible for proper lubrication & replacement parts due to normal wear. The owner shall give a timely notice of a warrantable failure & promptly make the machine available for repair. The machine may not be altered or modified in any way which affects the operation of the machine as designed by the manufacturer. The warranty does not include any transportation charges for shipping repair parts.

Tires are not included in this warranty as they are covered by the tire manufacturer's warranty.

Labor charges based on normal working hours will be allowed at the discretion of E-Ject Systems as to the length of time used.

The warranty does not include travel time to or from repair locations or travel expenses.

This warranty is to be governed in accordance with the laws of the state of Iowa.
